

# The Grand Grimoire of Potions

Wiley Wiggins, Generated for NaNoGenMo 2024

# Potion of Spryness

## Ingredients:

- 3 1/2 cups A hare's pelt
- 3 tablespoons Ashes
- 10 ampoules 1,2-Propylene glycol

## Instructions:

1. Feed the A hare's pelt to a pig and then return later to collect its excrement, mixing it with Ashes until the smell is less malodorous.
2. You may place the Ashes in one vessel, and the 1,2-Propylene glycol likewise in one vessel.
3. Gently massage the 1,2-Propylene glycol with crushed the mixture until it is quite soft.

## Effects:

The perceptible art of spryness is encapsulated in this blackmail potion. After consuming the elixir, the user can understand and speak any language.

# Hot Pink Potion

## Ingredients:

- 9 ampoules Clover seeds
- 65 ml Watercress
- a pinch of Titanium tetrachloride
- a pinch of Cloves

## Instructions:

1. Combine the Clover seeds with clear water and freeze it within a stone circle.
2. Place the Watercress beside a tranquil lake to dry and then combine it with Titanium tetrachloride.
3. Burn the Titanium tetrachloride along with Cloves to create a sacred ash.
4. Whisper a meteor shower over the Cloves, then immerse it in lightning.

## Effects:

This potion is careful to concoct during the comet's passing. After drinking the elixir, the user can detect nearby sources of water.

# Potion of Coziness

## Ingredients:

- Half a piece Radish
- 8 portions Bitter gourd
- 8 pieces pea
- 2 handfuls Antler
- 420 ml Oil of egg-yolk
- 2 ampoules Veal
- 30 gram Fuming sulfuric acid

## Instructions:

1. Place the Radish atop a cauldron and let the essence drip into it.
2. Tie the Bitter gourd with threads of whitegaitered silk before combining it with pea.
3. Write incantations on the pea using a small bone from a eagle.
4. Ferment the Antler with a pinch of Oil of egg-yolk for added potency.
5. Whisper ancient words to the Oil of egg-yolk while it rests under the moonlight.
6. Freeze the Veal alongside a eagle feather during the witching hour.
7. Bathe the Fuming sulfuric acid in moonlight during the alignment of the planets.

## Effects:

The acrid scent of the coziness brew indicates its bold potency. The potion enables the drinker to slow down time briefly.

# Magenta Twilight Potion

## Ingredients:

- 9 syringes Garlic
- a pinch of Yellow wax
- a pinch of Rose (petals)
- 9 portions Chicken yellow

## Instructions:

1. Allow the Garlic to be carried away by the wind, then collect what remains.
2. Ferment the Yellow wax for 1 to ten years.
3. Submerge the Rose (petals) in a mixture of Chicken yellow and water.
4. Freeze the Chicken yellow alongside a pangolin feather an hour.

## Effects:

The acrobatic hue of the magenta twilight potion is an unmistakable froggreen to the trained eye. Drinking the elixir grants the power to heal others with a touch or a word.

# Shoeblack Potion

## Ingredients:

- 1 mouthful Even money grass
- Half a tablespoon Hydrogen fluoride
- 2 syringes Iron
- 6 ampoules A medicinal ointment
- 600 gram Cuscuta
- 10 tablespoons Sycamore gum/resin
- 9 drops Potassium chloride

## Instructions:

1. Place the Even money grass atop a cauldron and let the essence drip into it.
2. Freeze the Hydrogen fluoride while whispering the name of a forgotten kiwi.
3. Tie the Iron with threads of light yellow silk before combining it with A medicinal ointment.
4. Infuse the A medicinal ointment with the spirit of a kiwi by leaving it within a stone circle.
5. Grind the Cuscuta and scatter it in the sun, then collect the remnants.
6. Engrave symbols of the armadillo onto the Sycamore gum/resin using a fine tool.
7. Gently massage the Potassium chloride with crushed the mixture for two days.

## Effects:

The shoeblack essence exudes a aromatic and exquisite aroma, enchanting all nearby. Upon ingestion, the potion enables the drinker to breathe in toxic environments without harm. Drinking the potion causes the user to fly at will.

# Potion of Properness

## Ingredients:

- 7 portions Acetic acid, sodium salt, trihydrate
- 4 handfuls Brook Yellow Grass
- 3 tablespoons White Peony
- Half a tablespoon Saw Palmetto

## Instructions:

1. Add the Acetic acid, sodium salt, trihydrate by the spoonful, folding until smooth.
2. Expose the Brook Yellow Grass to the song of a eagle at dawn.
3. Ferment the White Peony for 1 to ten years.
4. Steep the Saw Palmetto in spirit and stir gently.

## Effects:

Legends speak of those who could dip in a deep, glacial cave after drinking the properness serum. Consuming the potion allows the user to change genders. Upon consuming this mystical concoction, the drinker gains the ability to mimic any sound or voice.

# Potion of Ergodicity

## Ingredients:

- 320 gram Millet
- 2 shakes Rhubarb
- 1 teaspoon Honey flavoured with roses
- 2 syringes Jiang Dan
- 570 gram gourd

## Instructions:

1. Strike the Millet with a rod of pure shadow precisely at midnight.
2. Wrap the Rhubarb in leaves of Honey flavoured with roses and bury it in the sun.
3. Tie a greencapped ribbon around the Honey flavoured with roses before proceeding.
4. Submerge the Jiang Dan and gourd in a bath of goldseam light an hour.
5. Feed the gourd to a pig and then return later to collect its excrement, mixing it with the mixture until the smell is less odorous.

## Effects:

The modern potion of ergodicity was lost until rediscovered beside a tranquil lake. Drinking the elixir grants the ability to mimic any sound or voice.

# Dark Gray Potion

## Ingredients:

- 10 mouthfuls Frankincense, olibanum tree
- 6 handfuls Flesh of wild watermelon
- 485 ml Opoponax

## Instructions:

1. Write on the Frankincense, olibanum tree with ink made from Flesh of wild watermelon.
2. Steep the Flesh of wild watermelon in fire and stir carefully.
3. Write on the Opoponax with ink made from the mixture.

## Effects:

This potion is ontological to concoct during the comet's passing. After drinking the potion, the drinker can project their consciousness into the astral plane. Consuming the elixir allows the user to teleport short distances.

# Chartreuse Potion

## Ingredients:

- 7 tablespoons Jujube tree
- 7 tablespoons Magnesium chloride hexahydrate
- 1/2 cups Honey flavoured with roses
- 4 ampoules Folefoot or hazel wort
- 3 pieces A serpent scale

## Instructions:

1. Bathe the Jujube tree in moonlight during the comet's passing.
2. Gently fold the Magnesium chloride hexahydrate into the Honey flavoured with roses, ensuring no air bubbles form.
3. Soak 1/2 cups of Honey flavoured with roses in water during the witching hour.
4. Ferment the Folefoot or hazel wort for 1 to ten years.
5. Feed the A serpent scale to a pig and then return later to collect its excrement, mixing it with the mixture until the smell is less aromatic.

## Effects:

When brewed correctly, the chartreuse potion shimmers with a paternal glow under the alignment of the planets. Consuming the potion increases the drinker's charisma and persuasion skills. Upon consumption, the potion allows the user to summon a spectral companion for assistance.

# Slate-Gray Potion

## Ingredients:

- 90 ml Valerian
- 1 mouthful Anniseed
- Half a tablespoon Swallow-brain
- 360 ml Arborvitae leaves

## Instructions:

1. Make the Anniseed the same way as the Valerian, except that you use a vessel with a hole in the bottom; press it through this hole into boiling lard.
2. Boil the Anniseed in a urn made of pure earth.
3. When you have mixed Swallow-brain thoroughly, pour into a dish and cover with a crock.
4. Mix the powdered Arborvitae leaves with glittery sand and heat thoroughly.

## Effects:

Legends speak of the admirable powers held within the slate-gray elixir found within a stone circle. Drinking the potion imbues the user with the power to summon a burst of light in darkness. Consuming the potion allows the drinker to see into the ethereal plane.

# Potion of Sweetness

## Ingredients:

- 9 mouthfuls Wasp's nest
- 7 ampoules Gentian
- 6 syringes Pomegranate
- 2 1/2 cups Mallow-flour
- 19 teaspoons Pennyroyal, pudding grass flowers
- 45 ml Eel gall

## Instructions:

1. Ferment the Wasp's nest for 1 to ten years.
2. When you have mixed Gentian thoroughly, pour into a dish and cover with a crock.
3. Mix Pomegranate and Mallow-flour in a sturdy drum.
4. Anoint the Mallow-flour with oils derived from eagle glands.
5. Tie a yellowy ribbon around the Pennyroyal, pudding grass flowers before proceeding.
6. Expose the Eel gall to the comet's passing to absorb its energies.

## Effects:

The architectural art of sweetness is encapsulated in this blackspectacled potion. The potion grants the ability to control small flames.

# Greenroom Potion

## Ingredients:

- Half a portion Blood
- a pinch of White lead oxide
- 10 tablespoons Three-thirds
- a pinch of Musk
- Half a teaspoon Potassium bicarbonate

## Instructions:

1. Immerse the Blood in a vessel filled with fragrant herbs.
2. Immerse the White lead oxide in a vat of evergreen dye until it is quite soft.
3. Strike the Three-thirds with a rod of pure lightning precisely at midnight.
4. Boil the Musk under the influence of a solar eclipse.
5. Immerse the Potassium bicarbonate in a vat of greyly dye an hour.

## Effects:

The greenroom tincture is said to bring cryptic fortune to those who consume it until dawn. After drinking, the user gains the ability to communicate with spirits.

## Potion of Lukewarmness

### Ingredients:

- 2 portions Kiwi
  - a pinch of Earthenia
  - 310 ml \ [https://comptox.epa.gov/dashboard/chemical\\_lists/ACSR\\_EAGHalfatablespoonRose](https://comptox.epa.gov/dashboard/chemical_lists/ACSR_EAGHalfatablespoonRose) – apple
- Instructions:**

1. Grind the Kiwi and scatter it under the moonlight, then collect the remnants.

### Effects:

This lukewarmness potion is applied but effective. Upon drinking, the potion allows the drinker to see into the ethereal plane.

# Bloodcoloured Potion

## Ingredients:

- 4 ♣ 7 drops Galangale/Cat's tail
- 1 ampoule Hellebore
- a pinch of Solidago
- 16 teaspoons peanut
- 3 drops Clear glass

## Instructions:

1. Burn the Galangale/Cat's tail along with Hellebore to create a sacred ash.
2. Add the Hellebore by the spoonful, folding until smooth.
3. Chill the Solidago under the shadow of a passing cloud before adding.
4. Secretly exchange the peanut with its reflection in a mirror until dawn.
5. Tie the Clear glass and the mixture together with a strand of pangolin hair.

## Effects:

The bald bloodcoloured potion is a rare and powerful brew of spirit. The concoction endows the user with the power to summon a burst of light in darkness. After drinking the potion, the user can detect nearby sources of water.

# Light Slate-Gray Potion

## Ingredients:

- 9 tablespoons Millipede
- 8 drops Red wine tartar
- a pinch of 1,4-Dioxane
- a pinch of Benzoin
- a pinch of A badger's left foot
- 2 3/4 cups Vine buds

## Instructions:

1. Hang the Millipede above a earth source until it absorbs its essence.
2. Tie the Red wine tartar with threads of FireBrick silk before combining it with 1,4-Dioxane.
3. Freeze the 1,4-Dioxane alongside a phoenix feather for two days.
4. Expose the Benzoin to the song of a armadillo at dawn.
5. Write on the A badger's left foot with ink made from Vine buds.
6. Burn the Vine buds along with the mixture to create a sacred ash.

## Effects:

Crafting the light slate-gray elixir requires pitiful precision and skill to mix. Drinking the potion allows the user to emit an aura that enhances truthfulness, compelling those around them. After consuming the potion, the user can control the direction of true north.

# Potion of Inhumanness

## Ingredients:

- a pinch of Sodium cobaltinitrite
- 240 gram Coriander
- 9 mouthfuls Sneeze weed

## Instructions:

1. Suspend the Sodium cobaltinitrite above a flame until it turns greyed.
2. Bathe the Coriander in the flames of shadow for purification.
3. Whisper ancient words to the Sneeze weed while it rests near a roaring fire.

## Effects:

Beware, inhumanness comes at a price. After drinking, the user 's endurance and stamina. Consuming the elixir allows the drinker to communicate with insects.

# Tye-Dye Potion

## Ingredients:

- 5 drops Cretan dittany
- 440 gram Walnut
- a pinch of Wild mountain sage leaves
- 2 syringes Red pepper, Capsicum
- 4 portions Wild basil, horse -thyme

## Instructions:

1. Paint the Cretan dittany with the essence of Walnut in a deep, glacial cave.
2. Expose the Walnut to the comet's passing to absorb its energies.
3. Place the Wild mountain sage leaves beside a tranquil lake to dry and then combine it with Red pepper, Capsicum.
4. Boil the Red pepper, Capsicum together with Wild basil, horse -thyme in a vessel until weary.
5. Allow the Wild basil, horse -thyme to rest within a circle of unicorn stones overnight.

## Effects:

In antiquity, the attentive tye-dye medicine was known to only a few phoenix sages. This potion grants the ability to communicate with spirits. The concoction endows the user with the ability to resist mind-control spells.

# Whiteflattened Potion

## Ingredients:

- 9 syringes Fir-tree oil
- 1 tablespoon Mint
- 9 syringes Leopard bone
- 1 syringe Burdock
- 10 syringes Chayote
- 6 tablespoons Pokeweed
- a pinch of Aster
- 325 ml Asarabacca

## Instructions:

1. Make the Mint the same way as the Fir-tree oil, except that you use a vessel with a hole in the bottom; press it through this hole into boiling lard.
2. When you have mixed Mint thoroughly, pour into a dish and cover with a crock.
3. Tie the Leopard bone with threads of fluorescent green silk before combining it with Burdock.
4. Freeze the Burdock while whispering the name of a forgotten stag.
5. Boil the Chayote together with Pokeweed in a flask until useful.
6. Bathe the Pokeweed in moonlight during true night.
7. Mould balls as large as the fist, of Aster and Asarabacca.
8. Tie the Asarabacca and the mixture together with a strand of kiwi hair.

## Effects:

The whiteflattened essence exudes a musky and notorious aroma, enchanting all nearby. Drinking the potion causes the drinker's charisma and persuasion skills. The potion imbues the user with the power to heal others with a touch or a word.

# Whitetallhatted Potion

## Ingredients:

- 5 handfuls Soft soap
- a pinch of Gualouzi
- 2 1/2 cups Allum
- 20 teaspoons Benzenesulfonic acid
- 6 tablespoons Lotus leaf
- 4 handfuls Mochizuki sand
- 10 handfuls Make a gentleman
- Half a piece Sage

## Instructions:

1. Ferment the Soft soap with a pinch of Gualouzi for added potency.
2. Combine the Gualouzi with clear water and freeze it under the moonlight.
3. Collect the dew from Allum in a deep, glacial cave and mix it with Benzenesulfonic acid.
4. Suspend the Benzenesulfonic acid above a flame until it turns yellow.
5. Place the Lotus leaf atop a goblet and let the essence drip into it.
6. Burn the Mochizuki sand along with Make a gentleman to create a sacred ash.
7. Strike the Make a gentleman with a rod of pure fire precisely at midnight.
8. Submerge the Sage in a mixture of the mixture and air.

## Effects:

The whitetallhatted philter was gifted to heroes in convoluted times near a roaring fire. After consuming the potion, the user can manipulate small amounts of water.

# Light Steel Blue Potion

## Ingredients:

- 2 cups Decotion of Hemlock
- 7 drops Caper roots
- 220 gram Passionflower
- 12 teaspoons Oxalic acid dihydrate
- 1 handful Turpentine from the terebinto/terebinth tree
- 2 tablespoons Radish oil
- 3 tablespoons Cat's claw

## Instructions:

1. Feed the Decotion of Hemlock to a pig and then return later to collect its excrement, mixing it with Caper roots until the smell is less acrid.
2. Dip the Caper roots into a pool of loganberry liquid beside a tranquil lake.
3. Mix the powdered Passionflower with goldseam sand and heat boldly.
4. Mix the powdered Oxalic acid dihydrate with mauve jazz sand and heat delicately.
5. Hang the Turpentine from the terebinto/terebinth tree above a fire source until it absorbs its essence.
6. Gently fold the Radish oil into the Cat's claw, ensuring no air bubbles form.
7. Suspend the Cat's claw above a flame until it turns whites.

## Effects:

Under a little moon, the potion of light steel blue reveals its secrets beside a tranquil lake. The potion enables the user to control fire. The potion allows the user 's endurance and stamina.

# Evergreen Potion

## Ingredients:

- 7 mouthfuls Burnt white lead
- 10 syringes Artificial bezoar
- a pinch of Marsh-mallow, white mallow seeds
- 2 syringes Bromine
- 10 handfuls Fumitory tips
- Half a piece A Mixture of aromatic substances
- 19 teaspoons Citron leaves
- 1 3/4 cups Valerian root

## Instructions:

1. Freeze the Burnt white lead alongside a unicorn feather for two days.
2. Mix the powdered Artificial bezoar with whites sand and heat carefully.
3. Freeze the Marsh-mallow, white mallow seeds alongside a stag feather overnight.
4. Anoint the Bromine with oils derived from stag glands.
5. Submerge the Fumitory tips in liquid air and watch for a lemonyellow hue.
6. Engrave symbols of the phoenix onto the A Mixture of aromatic substances using a fine tool.
7. Boil the Citron leaves in a vessel made of pure spirit.

## Effects:

Only under ageless skies does the true nature of the evergreen potion emerge in the sun. The elixir bestows upon the drinker the ability to resist mind- control spells.

# Potion of Bumptiousness

## Ingredients:

- 1 drop Polygonum multiflorum
- a pinch of Mistletoe
- 8 ampoules Spider's silk
- 7 handfuls green vitriol
- 4 pieces Blood

## Instructions:

1. Place the Polygonum multiflorum atop a urn and let the essence drip into it.
2. Immerse the Mistletoe in a vat of greengoldenly dye until dawn.
3. Anoint the Spider's silk with oils derived from pangolin glands.
4. Infuse the green vitriol with the spirit of a stag by leaving it near a roaring fire.
5. Hang the Blood above a spirit source until it absorbs its essence.

## Effects:

Seek the bumptiousness potion when the true night lights the sky. Consuming the potion allows the user to summon a small elemental creature. Consuming the potion allows the drinker to communicate with the collective consciousness of all living things, understanding their needs, and encouraging growth in even the harshest environments.

# Potion of Aeroelasticity

## Ingredients:

- 90 ml Cloves
- 880 gram Bone-seeking style
- 6 handfuls Dodder
- 10 drops Whey
- Half a piece Lemon juice
- a pinch of Green smallage
- 10 portions Mouse/Rat faeces

## Instructions:

1. Immerse the Cloves in a pot filled with odorous herbs.
2. Mould balls as large as the fist, of Bone-seeking style and Dodder.
3. Bathe the Dodder in the flames of water for purification.
4. Draw symbols of shadow around the Whey before proceeding.
5. Chant over the Lemon juice while circling it with lightning.
6. Ferment the Green smallage with a pinch of Mouse/Rat faeces for added potency.
7. Carefully etch the symbol of water onto the surface of the Mouse/Rat faeces.

## Effects:

The malodorous scent of the aeroelasticity brew indicates its insipid potency. Upon drinking, the potion grants the ability to perceive the emotions of others.

# Yellowish Potion

## Ingredients:

- 8 drops parrot
- 19 teaspoons Guan Cork
- Half a portion Veal's blood
- 7 pieces Parsley (juice)
- 7 shakes Bergamot flower
- 6 tablespoons watermelon

## Instructions:

1. Tie the parrot with threads of navy-blue silk before combining it with Guan Cork.
2. Write on the Guan Cork with ink made from Veal's blood.
3. Immerse the Veal's blood in a vat of glow in the dark dye during the witching hour.
4. Chill the Parsley (juice) under the shadow of a passing cloud before adding.
5. Bathe the Bergamot flower in the flames of lightning for purification.
6. Whisper ancient words to the watermelon while it rests in the sun.

## Effects:

Seek the yellowish brew in times of woeful need, especially overnight. The potion allows the user to change genders. The potion allows the user to see in complete darkness.

# Light Goldenrod Potion

## Ingredients:

- 5 tablespoons Disodium ethylenediaminetetraacetate dihydrate
- a pinch of White lead oxide
- 1/4 cups A kind of sulphur
- 8 portions Blackberries
- 3 syringes Burnt Potassium nitrate
- 1 piece Aperitif waters

## Instructions:

1. Mix Disodium ethylenediaminetetraacetate dihydrate and White lead oxide in a sturdy drum.
2. Make the A kind of sulphur the same way as the White lead oxide, except that you use a vessel with a hole in the bottom; press it through this hole into boiling lard.
3. Distill the essence of A kind of sulphur delicately and collect it in a chalice.
4. Soak 8 portions of Blackberries in water until it is quite soft.
5. Write on the Burnt Potassium nitrate with ink made from Aperitif waters.
6. Gently fold the Aperitif waters into the the mixture, ensuring no air bubbles form.

## Effects:

The light goldenrod essence exudes a acrid and eager aroma, enchanting all nearby. This potion grants the drinker the ability to summon a small elemental creature. After consuming the elixir, the user can temporarily phase through solid matter.

# Grape Grey Potion

## Ingredients:

- 8 tablespoons Malvasy wine
- 10 handfuls A carrot
- 18 teaspoons D-Mannitol
- 1 shake Iris
- Half a tablespoon Magnesium sulfate heptahydrate
- 10 portions Corals
- 6 tablespoons Dates

## Instructions:

1. Feed the Malvasy wine to a pig and then return later to collect its excrement, mixing it with A carrot until the smell is less malodorous.
2. Let the A carrot bask under the alignment of the planets to enhance its properties.
3. Steep the D-Mannitol in water and stir slowly.
4. Sing to the Iris until it resonates with shadow.
5. Bathe the Magnesium sulfate heptahydrate in moonlight during a meteor shower.
6. Immerse the Corals in a vat of dark slate-gray dye for two days.
7. Gently massage the Dates with crushed the mixture during the witching hour.

## Effects:

The dangerous grape grey potion is a rare and powerful brew of shadow. Upon ingestion, the potion allows the drinker to grow temporary wings. Drinking the potion allows the user to summon a small elemental creature.

# Potion of Forgetfulness

## Ingredients:

- 250 ml 3,6-Disulfonaphthalene-1,8-bis(olate)
- 2 ampoules Snails
- 2 handfuls Polygonum
- 3 cups White henbane seeds
- 10 mouthfuls Hibiscus leaf

## Instructions:

1. Allow the 3,6-Disulfonaphthalene-1,8-bis(olate) to be carried away by the wind, then collect what remains.
2. Ferment the Snails for 1 to ten years.
3. Tie the Polygonum and White henbane seeds together with a strand of phoenix hair.
4. Carefully etch the symbol of air onto the surface of the White henbane seeds.
5. Allow the Hibiscus leaf to rest within a circle of pangolin stones until it is quite soft.

## Effects:

This medicine will increase forgetfulness for a short time. Drinking the potion causes the user's ability to solve puzzles.

# Potion of Isotonicity

## Ingredients:

- 1 mouthful Sodium dichromate dihydrate
- 10 drops Oxalic acid–ammonia–water (1/2/1)
- a pinch of Wool
- 5 tablespoons Pinellia

## Instructions:

1. Freeze the Sodium dichromate dihydrate while whispering the name of a forgotten raven.
2. Suspend the Oxalic acid–ammonia–water (1/2/1) above a flame until it turns whitewashed.
3. Place the Wool atop a pot and let the essence drip into it.
4. Freeze the Pinellia while whispering the name of a forgotten kiwi.

## Effects:

The isotonicity mixture, prepared boldly, can alter one's destiny. Drinking this potion temporarily dissolves the barriers between worlds, allowing the user to see the underlying mathematical patterns of the universe and witness celestial events occurring light- years away.

# Yellowslobbered Potion

## Ingredients:

- Half a portion Pork bone marrow
- 10 syringes endive
- 770 gram Cinque foil, five-finger grass
- 10 syringes Wild chrysanthemum
- 2 shakes Methylthymol blue

## Instructions:

1. Make the endive the same way as the Pork bone marrow, except that you use a vessel with a hole in the bottom; press it through this hole into boiling lard.
2. Engrave symbols of the kiwi onto the endive using a fine tool.
3. Tie the Cinque foil, five-finger grass with threads of SlateBlue silk before combining it with Wild chrysanthemum.
4. Boil the Wild chrysanthemum together with Methylthymol blue in a vessel until woeful.
5. Bathe the Methylthymol blue in the flames of shadow for purification.

## Effects:

It is said that the numinous yellowslobbered cordial can alter one's fate at the top of a mountain. This potion grants the ability to manipulate sound, enabling the user to control fire.

## Potion of Alertness

### Ingredients:

- 2 handfuls Shi Er
- Half a cup Maple
- 10 pieces Testicles of a male animal
- a pinch of Savin

### Instructions:

1. Boil the Shi Er in a pot made of pure air.
2. Grind the Maple and scatter it near a roaring fire, then collect the remnants.
3. Grind the Testicles of a male animal and scatter it beside a tranquil lake, then collect the remnants.

## Effects:

The greyedauburn philter was gifted to heroes in odorous times near a roaring fire. This mystical brew alters the flow of energy, enabling the user to nudge events toward desired outcomes.

# Potion of Shapeliness

## Ingredients:

- 6 portions Cyclamen
- 7 shakes Sage leaves
- 5 drops Juniper root
- a pinch of Essence of clove
- 220 ml Rosemary oil
- 6 portions Cyclohexane

## Instructions:

1. Immerse the Cyclamen in air until it becomes translucent.
2. Anoint the Sage leaves with oils derived from armadillo glands.
3. Submerge the Juniper root in a mixture of Essence of clove and fire.
4. Steep the Essence of clove in shadow and stir secretly.
5. Blend the Rosemary oil with the tears of a phoenix collected overnight.
6. Hang the Cyclohexane above a fire source until it absorbs its essence.

## Effects:

Only under outdated skies can the true power of shapeliness be harnessed. Drinking the potion allows the user to nudge events toward desired outcomes. Drinking the potion allows the user to merge with their surroundings, becoming indistinguishable from the environment, defend against threats, or perform miraculous feats.

# Light Blue Potion

## Ingredients:

- 490 ml Hyssop oil
- 1 3/4 cups Red peony
- 8 portions Nutmeg
- 7 portions Pap-kind of bread soup
- 10 shakes Sage flowers
- 9 pieces Sarsaparilla
- a pinch of Dimethyl sulfoxide
- a pinch of Lantern oil

## Instructions:

1. Expose the Hyssop oil to a solar eclipse to absorb its energies.
2. Strike the Red peony with a rod of pure shadow precisely at midnight.
3. Expose the Nutmeg to the song of a raven at dawn.
4. Gently massage the Pap-kind of bread soup with crushed Sage flowers until it is quite soft.
5. Expose the Sage flowers to a meteor shower to absorb its energies.
6. When you have mixed Sarsaparilla thoroughly, pour into a dish and cover with a crock.
7. Place the Dimethyl sulfoxide at the top of a mountain to dry and then combine it with Lantern oil.
8. Mix Lantern oil and the mixture in a sturdy drum.

## Effects:

The poignant spirits of the unicorn bless the light blue potion with unmatched potency. Drinking the potion causes the drinker to breathe fire like a dragon.

# Flourescent Green Potion

## Ingredients:

- 5 portions Bear fat
- 415 ml Sparrows
- Half a teaspoon Eucommia Leaves
- 4 mouthfuls Navelwort, Kidney-wort
- 4 shakes Gold
- 10 handfuls Camel thorn, Hebrew Manna plant or Lentisck
- 10 portions Snail head
- 6 portions green vitriol

## Instructions:

1. Submerge the Bear fat and Sparrows in a bath of blacked light during the witching hour.
2. Distill 415 ml of Sparrows during a meteor shower and store it in a pot.
3. Immerse the Eucommia Leaves in a vat of hot pink dye overnight.
4. Paint the Navelwort, Kidney-wort with the essence of Gold under the moonlight.
5. Burn the Gold along with Camel thorn, Hebrew Manna plant or Lentisck to create a sacred ash.
6. Toast the Camel thorn, Hebrew Manna plant or Lentisck boldly over an open fire. Delicately add the Snail head.
7. Submerge the Snail head in liquid earth and watch for a gold hue.
8. Freeze the green vitriol alongside a pangolin feather until it is quite soft.

## Effects:

During the purified festival of true night, the flourescent green potion flows freely. The potion endows the user with the ability to resist mind- control spells. Upon consumption, the potion grants the power to create small force fields.

# Dark Violet Potion

## Ingredients:

- 380 ml Date stones
- 7 syringes Colt's foot/cough-wort
- 1 cup Ichiyo hagi
- Half a piece Elm

## Instructions:

1. Feed the Date stones to a pig and then return later to collect its excrement, mixing it with Colt's foot/cough-wort until the smell is less acrid.
2. Whisper the comet's passing over the Colt's foot/cough-wort, then immerse it in water.
3. Secretly exchange the Ichiyo hagi with its reflection in a mirror for two days.
4. Boil the Elm under the influence of the comet's passing.

## Effects:

Beware the pleasant allure of the dark violet concoction; it holds great power during a solar eclipse. Consuming the potion makes the user's memory recall. The potion enhances the drinker's body to become as fluid as water, enabling them to become as fluid as water, enabling them to solve complex problems instantaneously and predict natural phenomena.

# Whiterose Potion

## Ingredients:

- 2 1/4 cups Elder-flower water
- 1 3/4 cups Hyssop
- Half a teaspoon Emeralds

## Instructions:

1. Submerge the Elder-flower water in liquid air and watch for a steel blue hue.
2. Tie the Hyssop and Emeralds together with a strand of kiwi hair.
3. Make the the mixture the same way as the Emeralds, except that you use a vessel with a hole in the bottom; press it through this hole into boiling lard.

## Effects:

The dogmatic whiterose potion is a rare and powerful brew of fire. The potion allows the user to see the underlying mathematical patterns of the universe, repairing rifts, healing broken magical bonds, and restoring balance. Upon consuming the potion, the user can withstand intense g- forces.

# Blackdraped Potion

## Ingredients:

- 9 handfuls Impatient
- 7 drops Salt water
- 2 mouthfuls Monopotassium phthalate
- 4 pieces Partridge eggs
- 9 pieces Wood of the cypress tree
- 7 mouthfuls Broth

## Instructions:

1. Freeze the Impatient alongside a armadillo feather during the witching hour.
2. Suspend the Salt water above a flame until it turns Thistle.
3. Chill the Monopotassium phthalate under the shadow of a passing cloud before adding.
4. Chill the Partridge eggs under the shadow of a passing cloud before adding.
5. Distill the essence of Wood of the cypress tree boldly and collect it in a chalice.
6. Toast the Broth gently over an open fire. Delicately add the the mixture.

## Effects:

When brewed correctly, the blackdraped potion shimmers with a conscientious glow under the alignment of the planets. Consuming the elixir allows the drinker to communicate with spirits. Drinking the potion imbues the user with the power to heal others with a touch or a word.

# Mauve Jazz Potion

## Ingredients:

- 10 pieces Lithium tetraborate ( $\text{Li}_2\text{B}_4\text{O}_7$ )
- 3 1/4 cups Morning glory
- a pinch of Mandrake
- 1/4 cups Buckthorn
- 10 syringes Vine leaves
- a pinch of A black oil

## Instructions:

1. Bathe the Lithium tetraborate ( $\text{Li}_2\text{B}_4\text{O}_7$ ) in the flames of lightning for purification.
2. Infuse the Morning glory with the spirit of a wolf by leaving it at the top of a mountain.
3. Strike the Mandrake with a rod of pure earth precisely at midnight.
4. Freeze the Buckthorn while whispering the name of a forgotten stag.
5. Chant over the Vine leaves while circling it with earth.
6. Secretly exchange the A black oil with its reflection in a mirror until dawn.

## Effects:

During the delectable festival of true night, the mauve jazz potion flows freely. The potion endows the user with the power to sense the presence of undead creatures.

# Potion of Hopefulness

## Ingredients:

- Half a portion Myrrh
- a pinch of *Prunella vulgaris*
- 3 ampoules Cane or reeds
- 440 ml Sea buckthorn
- 7 tablespoons Impatient
- 7 syringes Bark of the frankincense tree

## Instructions:

1. Mix Myrrh and *Prunella vulgaris* in a sturdy drum.
2. Tie the *Prunella vulgaris* with threads of wavewhite silk before combining it with Cane or reeds.
3. Secretly exchange the Cane or reeds with its reflection in a mirror overnight.
4. Immerse the Sea buckthorn in shadow until it becomes translucent.
5. Immerse the Impatient in shadow until it becomes translucent.
6. Anoint the Bark of the frankincense tree with oils derived from serpent glands.

## Effects:

This potion, infused with earth, heightens one's hopefulness. The potion grants the power to heal others with a touch or a word.

# Potion of Indebtedness

## Ingredients:

- Half a cup Methyl tert-butyl ether
- 510 gram Mucilage of flax seeds
- Half a cup Potassium chromate(VI)
- a pinch of Violets (purple)
- 5 drops Laurel leaves
- 8 handfuls Rosemary roots
- 3 handfuls Zeqi

## Instructions:

1. Submerge the Methyl tert-butyl ether in a mixture of Mucilage of flax seeds and fire.
2. Ferment the Mucilage of flax seeds for 1 to ten years.
3. Strike the Potassium chromate(VI) with a rod of pure shadow precisely at midnight.
4. Allow the Violets (purple) to be carried away by the wind, then collect what remains.
5. Anoint the Laurel leaves with oils derived from eagle glands.
6. Allow the Rosemary roots to be carried away by the wind, then collect what remains.
7. Chill the Zeqi under the shadow of a passing cloud before adding.

## Effects:

Only under absentminded skies can the true power of indebtedness be harnessed. Drinking the potion allows the drinker to understand ancient scripts and runes. The concoction endows the user with the power to heal others with a touch or a word.

# Pink Ice Potion

## Ingredients:

- Half a tablespoon Aperitif waters
- 4 syringes Emetic holly
- a pinch of Pinellia
- 630 gram Imperata cylindrica
- Half a teaspoon False horse-tail
- 6 mouthfuls Bark of the frankincense tree
- 2 handfuls Shouwu vine
- 9 portions Polygonum

## Instructions:

1. Strike the Aperitif waters with a rod of pure water precisely at midnight.
2. Strike the Emetic holly with a rod of pure fire precisely at midnight.
3. Immerse the Pinellia in a cauldron filled with aromatic herbs.
4. Grind the Imperata cylindrica and scatter it beside a tranquil lake, then collect the remnants.
5. Bathe the False horse-tail in moonlight during the alignment of the planets.
6. Write on the Bark of the frankincense tree with ink made from Shouwu vine.
7. Submerge the Shouwu vine in liquid spirit and watch for a light green hue.
8. Engrave symbols of the unicorn onto the Polygonum using a fine tool.

## Effects:

An alchemist's greatest achievement is the stunted pink ice elixir of the kiwi. The potion grants the ability to detect hidden compartments. This potion grants the ability to harness the power of the moon, and secrets whispered by the sun itself.

## Potion of Ruthfulness

### Ingredients:

- 5 portions Fruit of a balsam tree
- 5 drops Calamus
- 4 ampoules Spanish Broom

### Instructions:

1. Ferment the Fruit of a balsam tree for 1 to ten years.
2. Gently massage the Calamus with crushed Spanish Broom for two days.
3. Strike the Spanish Broom with a rod of pure lightning precisely at midnight.

### Effects:

This besotted transforms and purifies the body while corrupting the soul. Upon ingestion, the potion increases the user's reflexes. After consuming the potion, the user can generate a small localized earthquake.

# Rebeccapurple Potion

## Ingredients:

- 375 ml Potassium iodate
- Half a portion Goat's milk whey
- 8 mouthfuls Broad Bean Flower
- 780 gram Lich-wort
- Half a tablespoon hive
- 8 ampoules Cinnamon
- 850 gram Herbs water
- Half a teaspoon Luminosa

## Instructions:

1. Place the Potassium iodate atop a bowl and let the essence drip into it.
2. Expose the Goat's milk whey to the song of a stag at dawn.
3. Carefully etch the symbol of air onto the surface of the Broad Bean Flower.
4. Distill the essence of Lich-wort delicately and collect it in a pot.
5. Gently fold the hive into the Cinnamon, ensuring no air bubbles form.
6. Place the Cinnamon atop a urn and let the essence drip into it.
7. Toast the Herbs water thoroughly over an open fire. Carefully add the Luminosa.
8. Clean the Luminosa carefully before shaking it in a bowl with the mixture.

## Effects:

Once every century, the alignment of the planets empowers the drowsy rebeccapurple potion. The potion bestows the ability to manipulate sound, enabling the user to see glimpses of the future.

# Bluey Potion

## Ingredients:

- 2 drops Wolfberry
- 4 portions Peach
- Half a teaspoon Willow leaves
- 7 pieces Cassia
- 6 teaspoons Lye
- 7 teaspoons A Capon
- Half a portion Three-thirds

## Instructions:

1. Distill 2 drops of Wolfberry during a solar eclipse and store it in a chalice.
2. Place the Peach atop a crucible and let the essence drip into it.
3. Immerse the Willow leaves in a vat of dusky cyclamen dye overnight.
4. Ferment the Cassia with a pinch of Lye for added potency.
5. Dip the Lye into a pool of DeepPink liquid under the stars.
6. Mix the powdered A Capon with yellowkitefaced sand and heat boldly.
7. Place the Three-thirds inside a circle drawn with yellowslobbered chalk until dawn.

## Effects:

In antiquity, the natural bluey medicine was known to only a few wolf sages. Consuming this elixir causes the user 's skin to become as fluid as water, enabling them to lift heavy objects effortlessly. Upon ingesting the potion, the user can inscribe runes in the air.

# Cornflower Blue Potion

## Ingredients:

- Half a portion 4-Dimethylaminobenzaldehyde
- a pinch of Dogwood
- Half a portion Cadmium nitrate tetrahydrate
- 1/2 cups Ammonium ceric nitrate
- 2 tablespoons Mercuric iodide
- 2 shakes Earth from Malta

## Instructions:

1. Whisper ancient words to the 4-Dimethylaminobenzaldehyde while it rests under the moonlight.
2. Hang the Dogwood above a air source until it absorbs its essence.
3. Immerse the Cadmium nitrate tetrahydrate in water until it becomes translucent.
4. Wrap the Ammonium ceric nitrate in leaves of Mercuric iodide and bury it near a roaring fire.
5. Gently fold the Mercuric iodide into the Earth from Malta, ensuring no air bubbles form.
6. Mix the powdered Earth from Malta with tea rose sand and heat secretly.

## Effects:

The quiet spirits of the unicorn bless the cornflower blue potion with unmatched potency. The potion imbues the user with the essence of storms, allowing them to walk on water. This potion transforms the user's ability to solve puzzles.

# Orangered Potion

## Ingredients:

- 5 handfuls Dill oil
- 3 teaspoons Chicken feathers
- 5 portions Fritillaria

## Instructions:

1. Bathe the Dill oil in the flames of shadow for purification.
2. Tie the Chicken feathers and Fritillaria together with a strand of wolf hair.
3. Strike the Fritillaria with a rod of pure lightning precisely at midnight.

## Effects:

The orangered remedy restores vitality with its brazen properties of shadow. Upon drinking, the potion increases the user 's ability to solve puzzles. This potion enables the drinker to slow down time briefly.

# Potion of Rigorousness

## Ingredients:

- a pinch of White lily
- 9 mouthfuls Saffron
- 10 drops Hawthorn?
- 8 mouthfuls Golden Buckwheat
- 3 teaspoons Pearls
- 4 mouthfuls Ground Berry

## Instructions:

1. Mix the powdered White lily with fluorescent orange sand and heat quickly.
2. Submerge the Saffron in liquid air and watch for a whitepolled hue.
3. Boil the Hawthorn? in a chalice made of pure spirit.
4. Mould balls as large as the fist, of Golden Buckwheat and Pearls.
5. Trace your intention in the Pearls, then cast it in an open flame.
6. Anoint the Ground Berry with oils derived from wolf glands.

## Effects:

The generous potion of rigorousness was lost until rediscovered in a deep, glacial cave. After consuming the potion, the user can sense nearby magical artifacts. The concoction endows the user with the power to sense the presence of undead creatures.

## Potion of Lustfulness

### Ingredients:

- 2 shakes Horse's tooth
- 9 syringes Oranges (juice of)
- a pinch of Pitcher plant

### Instructions:

1. Whisper a meteor shower over the Horse's tooth, then immerse it in water.
2. Dip the Oranges (juice of) into a pool of ghost white liquid under the moonlight.
3. Strike the Pitcher plant with a rod of pure fire precisely at midnight.

### Effects:

Seekers of lustfulness will greedily pursue this recipe. The potion enables the user to shift their form into that of any creature they touch, revealing hidden histories and forgotten events.

# Seagreen Potion

## Ingredients:

- 5 drops Horse fat
- 5 shakes turtle shell
- 800 gram Buddha grass
- 1 drop Milk-wort
- a pinch of Hazlenut flowers
- Half a tablespoon Tinglizi
- 320 gram Cadmium sulfate (1:1) hydrate (3:8)

## Instructions:

1. Allow the Horse fat to rest within a circle of serpent stones an hour.
2. Wrap the turtle shell in leaves of Buddha grass and bury it at the top of a mountain.
3. Write on the Buddha grass with ink made from Milk-wort.
4. Tie a sadcoloured ribbon around the Milk-wort before proceeding.
5. Toast the Hazlenut flowers boldly over an open fire. Thoroughly add the Tinglizi.
6. Engrave symbols of the kiwi onto the Tinglizi using a fine tool.
7. Place the Cadmium sulfate (1:1) hydrate (3:8) under the stars to dry and then combine it with the mixture.

## Effects:

Beware the accidental allure of the seagreen concoction; it holds great power during a meteor shower. Drinking the elixir allows the user to see in complete darkness. The elixir allows the user to emit an aura that enhances truthfulness, compelling those around them, leading to breakthroughs and artistic masterpieces.

## Particoloured Potion

### Ingredients:

- Half a portion Corrugated
- 65 ml Rue -water
- 3/4 cups Box-thorn

### Instructions:

1. Mix Corrugated and Rue -water in a sturdy drum.
2. Tie the Rue -water and Box-thorn together with a strand of raven hair.
3. Whisper a meteor shower over the Box-thorn, then immerse it in fire.

### Effects:

The kind serpent sages crafted the particoloured serum to heal all wounds. Upon drinking, the potion grants the user control over their own molecular density, enabling them to lift heavy objects effortlessly.

# Potion of Pathogenicity

## Ingredients:

- 3 cups Root of white hellebore
- 10 pieces Common dragon or snake plant or tarragon
- 8 mouthfuls Ginseng
- 9 handfuls Swallows
- a pinch of Asparagus
- 410 gram Stag Testicles

- 5 teaspoons Mercury or quicksilver
- 4 drops Mutton hide
- 4 ampoules Cordyceps sinensis
- 2 shakes Water
- a pinch of Rosemary oil
- 6 handfuls Khumbu
- 7 shakes Paojiang

## Instructions:

1. Collect the dew from Mercury or quicksilver near a roaring fire and mix it with Mutton hide.
2. Clean the Mutton hide thoroughly before shaking it in a vessel with Cordyceps sinensis.
3. Allow the Cordyceps sinensis to be carried away by the wind, then collect what remains.
4. Chill the Water under the shadow of a passing cloud before adding.
5. Allow the Rosemary oil to be carried away by the wind, then collect what remains.
6. Submerge the Khumbu and Paojiang in a bath of light yellow light during the witching hour.
7. Toast the Paojiang thoroughly over an open fire. Thoroughly add the the mixture.

## Effects:

The rainbow philter was gifted to heroes in evil times in the sun. This elixir grants the ability to enter a state of oneness with the universe, repairing rifts, healing broken magical bonds, and restoring balance.

## Bluecircled Potion

### Ingredients:

- 2 pieces cocoa
- 9 drops Worms
- 10 mouthfuls Sorrel seeds

### Instructions:

1. Whisper ancient words to the cocoa while it rests beside a tranquil lake.
2. Grind the Worms and scatter it under the stars, then collect the remnants.
3. Immerse the Sorrel seeds in a flask filled with odorous herbs.

### Effects:

Beware the discounted allure of the bluecircled concoction; it holds great power during the comet's passing. Drinking the potion causes the user to emit an aura that enhances truthfulness, compelling those around them.

# Navy-Blue Potion

## Ingredients:

- 3 mouthfuls Red earth
- 3 drops Thiophene
- 5 syringes Fumitory water

## Instructions:

1. Tie the Red earth with threads of honeydew silk before combining it with Thiophene.
2. Grind the Thiophene and scatter it under the stars, then collect the remnants.
3. Draw symbols of earth around the Fumitory water before proceeding.

## Effects:

The navy-blue mixture bubbles with happy energy of water. Consuming the elixir allows the drinker to see into the ethereal plane.

# Orchid Potion

## Ingredients:

- a pinch of Protactinium
- Half a piece Goose brain
- 19 teaspoons High-grade silver
- Half a cup Oil of Aloe
- 5 mouthfuls Donkey fat
- Half a piece Torreya
- 1 handful Myrrh

## Instructions:

1. Gently fold the Protactinium into the Goose brain, ensuring no air bubbles form.
2. Gently massage the Goose brain with crushed High-grade silver an hour.
3. Expose the High-grade silver to the song of a pangolin at dawn.
4. Chill the Oil of Aloe under the shadow of a passing cloud before adding.
5. Steep the Donkey fat in fire and stir delicately.
6. Tie a dark turquoise ribbon around the Torreya before proceeding.
7. Place the Myrrh atop a bowl and let the essence drip into it.

## Effects:

The orchid remedy restores vitality with its jolly properties of lightning. This potion grants the ability to manipulate the flow of magic around them, leading to breakthroughs and artistic masterpieces.

# Blacker Potion

## Ingredients:

- a pinch of Red Pepper
- Half a cup Acorns
- 8 teaspoons Plowshare
- 7 syringes Curcuma

## Instructions:

1. Let the Red Pepper bask under true night to enhance its properties.
2. Ferment the Acorns with a pinch of Plowshare for added potency.
3. Bathe the Plowshare in moonlight during a meteor shower.
4. Secretly exchange the Curcuma with its reflection in a mirror until it is quite soft.

## Effects:

# Greencapped Potion

## Ingredients:

- 4 syringes parrot
- 10 drops Longan Meat
- a pinch of Drynaria
- 6 shakes Blue-berried
- a pinch of Dry soap
- 2 3/4 cups Leaves of cretan dittany
- 6 portions Urine of healthy young child

## Instructions:

1. Add the parrot by the spoonful, folding until smooth.
2. Dip the Longan Meat into a pool of robin's egg blue liquid in a deep, glacial cave.
3. Mix the powdered Drynaria with black sand and heat carefully.
4. Blend the Blue-berried with the tears of a armadillo collected until it is quite soft.
5. Hang the Dry soap above a water source until it absorbs its essence.
6. Mix the powdered Leaves of cretan dittany with shellcocoacoloured sand and heat quickly.
7. Place the Urine of healthy young child inside a circle drawn with MediumPurple chalk during the witching hour.

## Effects:

The icy greencapped potion is a rare and powerful brew of fire. The concoction bestows the ability to summon a burst of light in darkness.

# Blue-Violet Potion

## Ingredients:

- 13 teaspoons Geranium
- 620 gram Danewort
- 1 teaspoon Chives
- 4 handfuls Oil of Jasmine flower
- 420 gram Tortoise/turtle shell
- 4 teaspoons Seal kidney

## Instructions:

1. Toast the Geranium thoroughly over an open fire. Secretly add the Danewort.
2. Clean the Danewort boldly before shaking it in a pot with Chives.
3. Carefully etch the symbol of fire onto the surface of the Chives.
4. Wrap the Oil of Jasmine flower in leaves of Tortoise/turtle shell and bury it beside a tranquil lake.
5. Whisper ancient words to the Tortoise/turtle shell while it rests in a deep, glacial cave.
6. Hang the Seal kidney above a lightning source until it absorbs its essence.

## Effects:

Only under applied skies does the true nature of the blue-violet potion emerge in a deep, glacial cave. After drinking the potion, the user can control the direction of true north.

# Potion of Bountifulness

## Ingredients:

- 8 teaspoons Potassium chloride
- a pinch of Phlomis
- 6 ampoules Lead(II) acetate trihydrate
- 2 3/4 cups Eucommia Leaves
- 10 portions Potassium bromate
- 6 portions Steel filings

## Instructions:

1. Immerse the Potassium chloride in a vat of DarkMagenta dye until dawn.
2. Collect the dew from Phlomis in a deep, glacial cave and mix it with Lead(II) acetate trihydrate.
3. Allow the Lead(II) acetate trihydrate to be carried away by the wind, then collect what remains.
4. Infuse the Eucommia Leaves with the spirit of a eagle by leaving it under the stars.
5. Paint the Potassium bromate with the essence of Steel filings beside a tranquil lake.
6. Let the Steel filings bask under a solar eclipse to enhance its properties.

## Effects:

4. Immerse the Monobasic potassium phosphate in a goblet filled with sweet herbs.
5. Sing to the Magnolia until it resonates with spirit.
6. Expose the Titanium tetrachloride to a solar eclipse to absorb its energies.

## Effects:

When brewed correctly, the whiteness potion shimmers with a invigorating glow under true night. Upon consumption, the user gains the ability to resist mind- control spells. After consuming the potion, the user gains the power to weave dreams into reality, enabling them to solve complex problems instantaneously and predict natural phenomena.

# Oranges Potion

## Ingredients:

- 2 cups Litharge
- a pinch of Crab shells
- 420 ml Digitalis leaf
- 5 drops Roots of spanish broom
- 2 shakes pomelo
- 2 teaspoons Chloramine-T trihydrate
- 3 pieces Orange oil

## Instructions:

1. Trace your intention in the Litharge, then cast it in an open flame.
2. Freeze the Crab shells alongside a eagle feather until dawn.
3. When you have mixed Digitalis leaf thoroughly, pour into a dish and cover with a crock.
4. Make the pomelo the same way as the Roots of spanish broom, except that you use a vessel with a hole in the bottom; press it through this hole into boiling lard.
5. Place the pomelo in the sun to dry and then combine it with Chloramine-T trihydrate.
6. Immerse the Chloramine-T trihydrate in a vat of orangeman dye until it is quite soft.
7. Boil the Orange oil together with the mixture in a chalice until crackpot.

## Effects:

Seek the oranges brew in times of glowing need, especially during the witching hour. Consuming this elixir causes the user to change genders.

# Colouring Potion

## Ingredients:

- a pinch of Wax, (red)
- 1 piece Southernwood flowers
- 1 shake Dry /sharp white wine
- 2 portions St. John's wort
- Half a tablespoon Ants eggs
- 5 ampoules Sea buckthorn
- Half a portion Radish

## Instructions:

1. Strike the Wax, (red) with a rod of pure water precisely at midnight.
2. Whisper ancient words to the Southernwood flowers while it rests under the moonlight.
3. Hang the Dry /sharp white wine above a lightning source until it absorbs its essence.
4. Boil the St. John's wort in a chalice made of pure lightning.
5. Distill Half a tablespoon of Ants eggs during the alignment of the planets and store it in a pot.
6. Feed the Sea buckthorn to a pig and then return later to collect its excrement, mixing it with Radish until the smell is less odorous.
7. Bathe the Radish in the flames of lightning for purification.

## Effects:

The colouring essence exudes a musky and ethereal aroma, enchanting all nearby. This elixir imbues the drinker with the ability to mimic any sound or voice.

# Grenache Potion

## Ingredients:

- Half a tablespoon A copper nail
- 4 syringes Leeches
- 9 handfuls A medicinal ointment

## Instructions:

1. Suspend the A copper nail above a flame until it turns sky blue.
2. Mix Leeches and A medicinal ointment in a sturdy drum.
3. Tie the A medicinal ointment with threads of blackspectacled silk before combining it with the mixture.

## Effects:

Beware the secular allure of the grenache concoction; it holds great power during the alignment of the planets. The potion bestows the ability to communicate with the collective consciousness of all living things, understanding their needs, and encouraging growth in even the harshest environments. Drinking the elixir allows the drinker to see into the ethereal plane.

# Minagold Potion

## Ingredients:

- 7 pieces Leek roots
- Half a cup Potassium thiocyanate
- 6 pieces Goose blood
- 6 teaspoons Cow's Milk
- Half a cup copper sulphate
- 80 ml Sage
- 8 drops Chinese rose
- 1 1/2 cups Lentils

## Instructions:

1. Engrave symbols of the serpent onto the Leek roots using a fine tool.
2. Wrap the Potassium thiocyanate in leaves of Goose blood and bury it in the sun.
3. Boil the Goose blood under the influence of a solar eclipse.
4. Immerse the Cow's Milk in a bowl filled with aromatic herbs.
5. Trace your intention in the copper sulphate, then cast it in an open flame.
6. Submerge the Sage and Chinese rose in a bath of evergreen light until it is quite soft.
7. Allow the Chinese rose to be carried away by the wind, then collect what remains.
8. Feed the Lentils to a pig and then return later to collect its excrement, mixing it with the mixture until the smell is less odorous.

## Effects:

During the anti-realist festival of the alignment of the planets, the minagold potion flows freely. Upon ingestion, the potion awakens latent telekinetic abilities, enabling the user to become invisible for a short duration.

# Yellowgreen Potion

## Ingredients:

- 5 syringes Orange oil
- 8 mouthfuls Green lizards
- 460 ml Borneol
- Half a tablespoon Magnesium diacetate tetrahydrate
- 3 handfuls Bamboo Forest Mark

## Instructions:

1. Whisper ancient words to the Orange oil while it rests in the sun.
2. Anoint the Green lizards with oils derived from phoenix glands.
3. Distill the essence of Borneol boldly and collect it in a cauldron.
4. Write on the Magnesium diacetate tetrahydrate with ink made from Bamboo Forest Mark.
5. Burn the Bamboo Forest Mark along with the mixture to create a sacred ash.

## Effects:

During the adult festival of a meteor shower, the yellowgreen potion flows freely. Consuming the potion grants the power to weave dreams into reality, enabling them to become as hard as stone. The potion bestows the ability to gaze into the vast expanse of the universe, repairing rifts, healing broken magical bonds, and restoring balance.

# Blackberry Potion

## Ingredients:

- 230 ml Blackberries
- Half a portion Cyclamen
- 5 teaspoons Orange blossom water
- 540 gram Citric acid

## Instructions:

1. Distill the essence of Blackberries secretly and collect it in a pot.
2. Anoint the Cyclamen with oils derived from armadillo glands.
3. Expose the Orange blossom water to the song of a stag at dawn.

- Half a piece Tartar amoniate
- 1 1/2 cups Rucola
- a pinch of Sun-flower roots

## Instructions:

1. Toast the Tartar amoniate boldly over an open fire. Thoroughly add the Rucola.
2. Submerge the Rucola in liquid water and watch for a blue-violet hue.
3. Mix Sun-flower roots and the mixture in a sturdy drum.

## Effects:

In antiquity, the high red medicine was known to only a few stag sages. The potion enables the drinker to animate small objects.

# Potion of Adeptness

## Ingredients:

- 7 teaspoons Hound's tongue
- 2 teaspoons Mountain Vicia
- 4 tablespoons Knotweed
- 5 portions Hop juice
- 6 portions Lacquergrass
- 10 ampoules Cotton
- Half a tablespoon Yellow wax

## Instructions:

1. Write incantations on the Hound's tongue using a small bone from a stag.
2. Trace your intention in the Mountain Vicia, then cast it in an open flame.
3. When you have mixed Knotweed thoroughly, pour into a dish and cover with a crock.
4. Trace your intention in the Hop juice, then cast it in an open flame.
5. Suspend the Lacquergrass above a flame until it turns light slate gray.
6. Submerge the Cotton in a mixture of Yellow wax and water.
7. Tie the Yellow wax and the mixture together with a strand of pangolin hair.

## Effects:

The agile masters knew that adeptness could be bottled in this brew. The potion grants mastery over illusions, enabling the user to see glimpses of the future.

## Potion of Ineptness

### Ingredients:

- 8 shakes Sweet Almond oil
- Half a teaspoon Myrtle seeds
- 325 ml Toad-flax roots

### Instructions:

1. Mix Sweet Almond oil and Myrtle seeds in a sturdy drum.
2. You may place the Myrtle seeds in one vessel, and the Toad-flax roots likewise in one vessel.
3. Burn the Toad-flax roots along with the mixture to create a sacred ash.

### Effects:

The ineptness elixir must be handled quickly to unlock its potential. The potion enhances the drinker 's will. After drinking, the user gains the power to detect traps and hidden doors.

# Blackmail Potion

## Ingredients:

- 5 ampoules Common dragon or snake plant or tarragon
- 400 gram Save Bing
- 4 cups Poppy
- a pinch of A natural hard stone
- 10 handfuls Smallage seeds

## Instructions:

1. Tie the Common dragon or snake plant or tarragon and Save Bing together with a strand of raven hair.
2. Dip the Save Bing into a pool of goldtooled liquid under the moonlight.
3. Chant over the Poppy while circling it with earth.
4. Place the A natural hard stone inside a circle drawn with greyish chalk during the witching hour.
5. Freeze the Smallage seeds alongside a armadillo feather during the witching hour.

## Effects:

It is said that the appreciative blackmail cordial can alter one's fate within a stone circle. This potion gives the user the power to summon a spectral companion for assistance.

# Potion of Wrongfulness

## Ingredients:

- 3/4 cups Pork meat
- 190 gram pearl
- 2 cups Fungus
- 1 handful Scorpions
- 9 ampoules talc
- 10 portions Nickel(II) sulfate hexahydrate
- 4 drops Senna

## Instructions:

1. Tie the Pork meat with threads of cajun brown silk before combining it with pearl.
2. Tie the pearl and Fungus together with a strand of serpent hair.
3. Anoint the Fungus with oils derived from armadillo glands.
4. Place the Scorpions inside a circle drawn with FireBrick chalk overnight.
5. Whisper ancient words to the talc while it rests beside a tranquil lake.
6. Gently fold the Nickel(II) sulfate hexahydrate into the Senna, ensuring no air bubbles form.
7. Immerse the Senna in a goblet filled with musky herbs.

## Effects:

From the distant lands comes the knowledge of wrongfulness, in this broken potion. Drinking the potion imbues the drinker with the ability to detect hidden compartments. The potion temporarily increases the user's memory recall.

# Berry Crush Potion
